WHERE THERE'S A WILL, THERE'S
A WAY. PATIENTS ARE OUR WILL

www.noronicpharma.com

WELCOME TO NORONIC PHARMACEUTICAL PVT. LTD.

ABOUT US

Noronic pharmaceutical pvt ltd is company focused on improving patients' lives by identifying, developing, and commercializing meaningful products that address unmet medical needs.

We also support commercial products in other therapeutic areas where we can meaningfully address serious medical needs.

As part of our unwavering commitment to improve patients' lives, we are continuing to expand our commercial product portfolio and our research and development pipeline in therapeutic areas that can leverage our unique expertise. We do this through a growth strategy of growing sales of the existing medicines in our portfolio; acquiring commercial products or product candidates that are in late-stage development; and pursuing focused development of our pipeline of differentiated therapies.

WHO WE ARE

Noronic Pharmaceutical Pvt. Ltd. is company focused on improving patients' lives by identifying, developing, and commercializing meaningful products that address unmet medical needs. We also support commercial products in other therapeutic areas where we can meaningfully address serious medical needs. As part of our unwavering commitment to improve patients' lives.

OUR CULTURE

We have a strong patient-focused culture at Noronic pharmaceutical pvt ltd that our employees believe in and pursue every day. It is clearly identified through our mission, vision and core values.

OUR LEADERSHIP

Our leadership team has a proven track record of successfully developing and commercializing therapeutics and creating patient programs that result in better patient care.
